OXFORD LATIN
TEACHING SCHEME
2021—2023

The Faculty Of Classics at the University of Oxford is offering state school pupils **FREE** Latin teaching to GCSE-level.

INTERESTED? Then **CARPE DIEM!** and see overleaf for more details.

The OxLAT Scheme is for enthusiastic and committed students in **Years 8 and 9** (who will be going into Years 9 and 10 in September 2021) who are interested in studying for a **GCSE in Latin** but attend **state schools** where there is **no Latin provision**. The Scheme offers eligible students **free tuition** in Latin language and literature **from scratch through to GCSE examination**.

Weekly two-hour lessons take place every Saturday morning during school term-time at the Faculty of Classics (66 St Giles, Oxford) and are taught by two professional Latin instructors: they will **start in September 2021** and continue for **two years** until the summer of 2023 when students will sit their Latin GCSE exams.

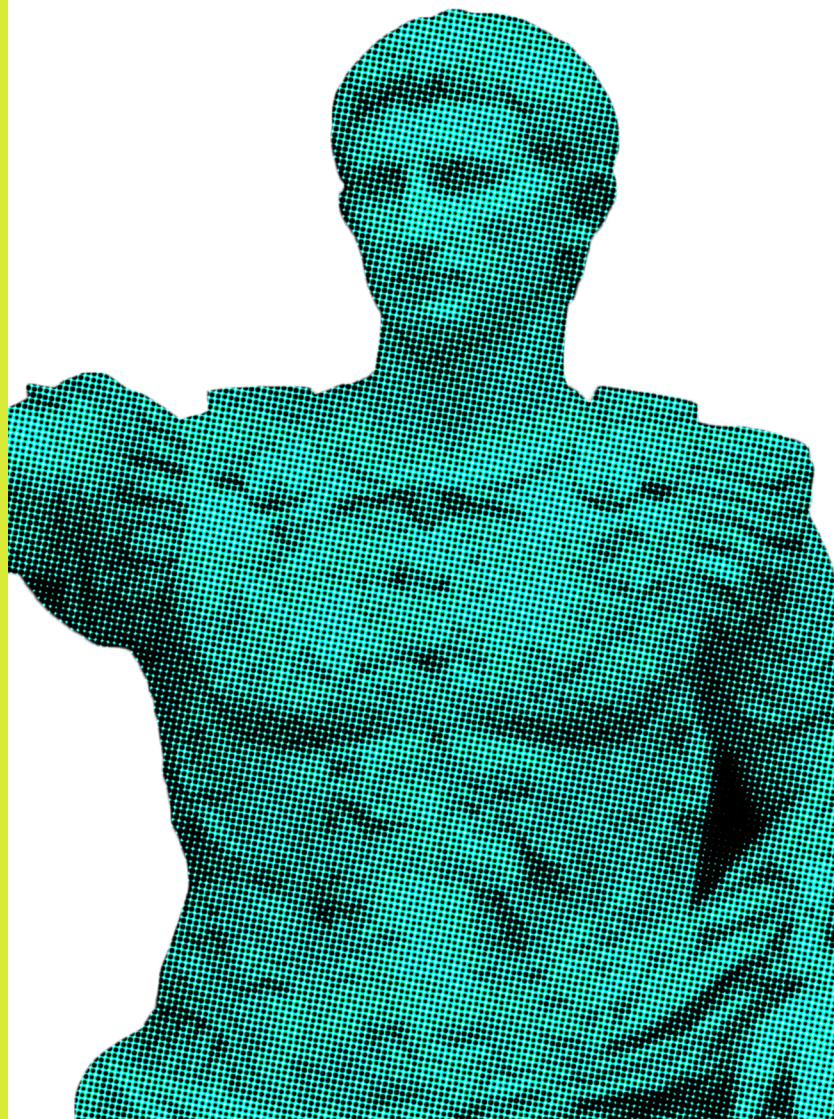

The academic programme of the scheme replicates the teaching students would experience were they taking the subject as a GCSE option at school (albeit in a reduced timetable and with greater focus on independent learning): students will be expected to consolidate their classroom learning with appropriate study-time at home each week, aided by the Scheme's own VLE (virtual learning environment). Homework will be roughly the same for any GCSE subject.

WHEN: September 2021 – May 2023. Lessons will take place every Saturday (10:30–13:00) during Oxfordshire schools' term-dates.

STRUCTURE: 2 years of intensive language and literature study in small groups. Students will be entered to sit a Latin GCSE at their school in May 2023.

COSTS: None. The Scheme is offered for **free** as part of the Faculty of Classics' Outreach Programme.

ELIGIBILITY: Only **current Year 8 and 9** students at **state schools** that **do not currently have any Latin provision (which includes lunch-time/after-school Latin clubs)** are eligible. There is no strict catchment area for this scheme: if you live in Oxfordshire and or the surrounding regions (and meet the other eligibility requirement above), you are eligible.
